

# École Internationale Provence-Alpes-Côte d'Azur à Manosque

07 December 2020

Dear S3 Parents,

It is the time of the year to think about the choice of options for S4 and S5 that the European Schooling section of the International School can offer in 2021-2022.

**Please be aware, however, we may not open all of the options classes listed below.**

## 1. Choice of Mathematics course

- 6 lessons of Mathematics course
- 4 lessons of Mathematics course

**Please note that your choice of mathematics option in S4 and S5 may have implications for the level of mathematics studied for the European Baccalaureate or for certain university courses.**

The choices in S6 and S7 will be Mathematics 3P and Mathematics 5P with an optional higher level mathematics course of an extra 3P.

- Students wishing to follow a scientific route (including technical and medical studies) for the Baccalaureate must choose Maths 5P in S6 and S7 and therefore Maths 6P in S5.
- Students wishing to follow the economics route for the Baccalaureate have the choice of Maths course in S6 and S7 but if they wish to study economics at university level, many require Maths 5P in S6 and S7 and therefore Maths 6P in S5.
- Students wishing to follow the literature route for the Baccalaureate must choose Maths 3P for the Baccalaureate but have the choice in S4 and S5.

## 2. The students' Language 3 (German or Spanish) remains the same. Language 4 is a new language.

## 3. One or two options (to a maximum of 6 periods) must be chosen from the following:

- Art (2 periods)
- Music (2 periods)
- Information and Communication Technology (ICT) (2 periods)
- Language 4: Spanish (4 periods)
- Language 4: German (4 periods)

**Please note that your choices of options in S4 must be continued in S5.**

We ask you to make your choices by completing the information on the link below:

<https://forms.gle/Xu6uCE9ytT5cvmMY9>

Once you have made your choices and received confirmation, **please print and sign this confirmation letter** and return it by 22<sup>nd</sup> January 2021 to either Mrs Hayward or to me.

Please do not hesitate to contact us if you have any questions,  
Kind regards,
